We will continue with this lovely pattern. Again I included the color choice charts, BUT you need to be careful. There will be a slight change in working up the rows. We need to be careful that the colors line up nicely in the pattern. For the squares working with 2 colors there is a different way of starting.

Color letter	My choice	Annemiek 's choice	Your color choice
A	Lilac	Light blue	
B	Purple	Dark blue	
C	Light green	Light green	
D	Green	Dark green	
E	Light salmon	Cream	
F	Salmon	Light brown	
G	Off white	White	

In this next chart you can see which colors are used for each number.

For the first square you look at the bind off row of the square below. The second square you start with the same color of the square next to it.
