

Discover the Seasons – week 3

This week there are 3 blocks on the programm. It is a little bit more then last week, but we escape from that because of the diversity at the blocks. You gonna use stitches you already know, but at block 8 and 9 we are gonna cross with it.

Block 7 20x20 Color A

Designer: Muis

This pattern is an existing pattern, but I find it so beautiful. It is a pretty close but also thin pattern. And very simple, because that are 2 stitches which you crochet alternately and per round long jump.

Used stitches

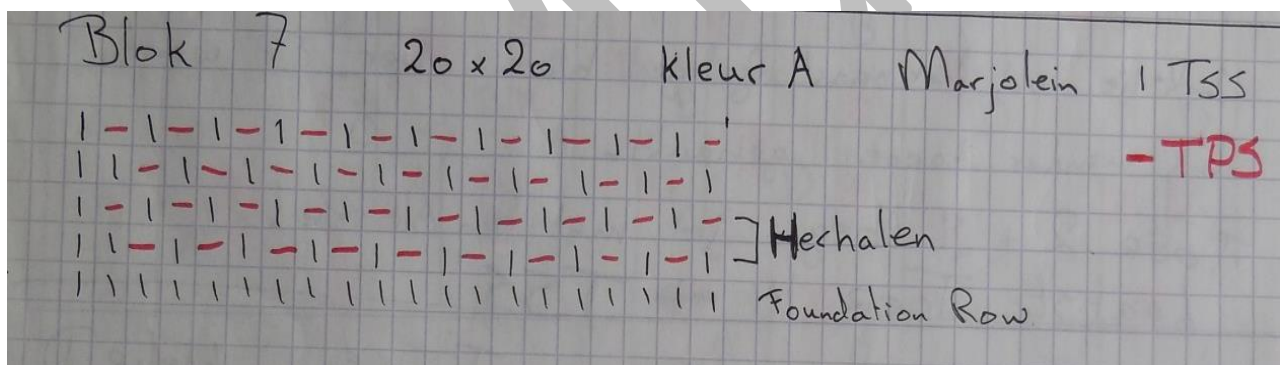

TSS Tunisian Simple Stitch
TPS Tunisian Purl Stitch

Block 7 will be crocheted on Block 1. You count 20 stitches **starting from the upper right corner of block 1**. Attach to in the 21th stitch.

Counting graphic

Return pass

The return pass isn't included in the counting graphic because this hasn't any details.

Kleur
Herhalen

Color
Repeat

Technique

Crochet the foundation row (basic row)

Row 2

Crochet next TSS, TPS, TSS, TPS, etc. You crochet this alternatly until the end of the row. the last stitch of the row you pick up as on the TSS. At this way you create a beautiful sideways. This is for all rows.

Row 3

You start with a TPS,TSS,TPS, TSS, etc. You crochet alternatly until the end of the row.

Row 4 to 20

Repeat row 1 and 2.

Block 8 20x20 Color C

Designer: Muis

Block 8 will be crocheted on block 7. You attach your thread **to the right upper corner of block 7**.

In this pattern we are going to work with the crossstitch. This is literally letting crossing of the stitch. When you crochet very tight, you have to pick up a larger hook.

Used stitches

TSS Tunisian Simple Stitch
TPS Tunisian Purl Stitch
TCS Tunisian Crossstitch

Explanation Crossstitch

The Crossstitch is crocheted on basic of the TSS.

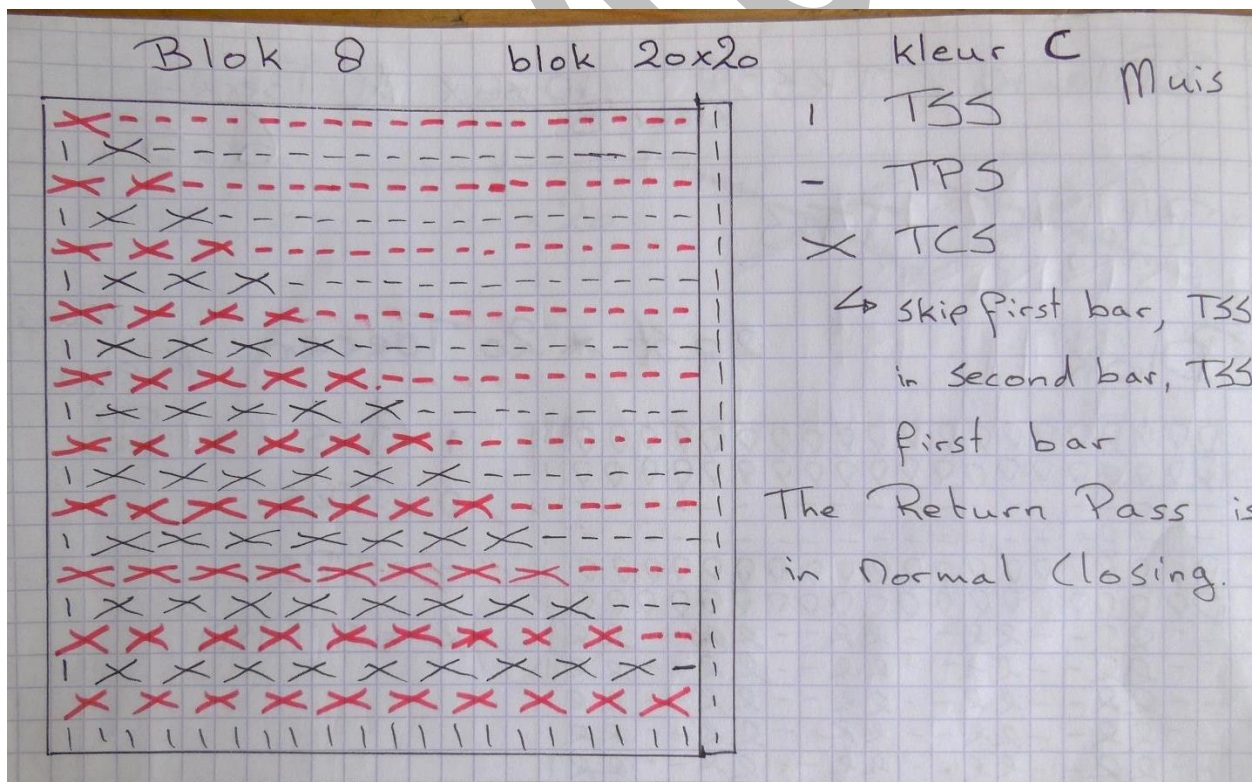

Now skip over one stitch and crochet in the next TSS. Now go back to the skipped over stitch and crochet here a TSS. Crochet this the rest of the row.

Return pass.

The return pass has no details.

Counting graphic

In the counting graphic is the return pass leaving away because it doesn't have details.

As you can see in the diagram we omit the crossstitch can't leave out walk.

REMEMBER: YOU ALWAYS skip over the first stitch!!! This is drawn in a separate column to the right.

Technique

Crochet the foundation row.

Row 2

As said skip the first stitch over. Crochet the complet row in Crosstitch

Row 3

First crochet 1 stitch TPS. Crochet the rest of the row in Crosstitch.

Row 4

Crochet 2 stitches TPS. Crochet the rest of the row in Crosstitch

Row 5 to 20

Crochet every time 1 stitch more in TPS and the rest in Crosstitch.

Block 9 30x30 Color D

Designer : Mouse

In this block we go again crosses with the stitches. We only do this now with 2 stitches at the time. Block 9 comes on block 1 and 5. Attach your thread **to the right upper corner of block 5.**

Used stitches

TPS Tunisian Purl Stitch
TKS Tunisian Knit Stitch
TDS Tunisian Double Stitch

Explanation TDS

The TDS is the DC at Tunisian crocheting. YO on your hook, crochet a TSS, YO and pull through 2 loops (TSS and YO) on your hook. With a regular DC you would pull your thread again through but with Tunisian crocheting you will be doing that at the return pass.

Explanation Double Stitch

Skip 2 stitches over. Make in the next 2 stitches a TDS. Go back to the 2 skipped over stitches and crochet there also TDS (in both stitches) in.

Return pass

The return pass has no details.

Counting pattern

In the counting pattern is the return pass left out because it doesn't has details.

Technique

Make the foundation row

Row 2 and 3

Crochet 4 TPS,* crochet 4 TKS, crochet 2 TPS*, repeat ** 3 more times. Now crochet 2 more TPS.

Row 4

Crochet 4 TPS, *crochet double stitch, crochet 2 tps* , repeat ** 3 more times. Now crochet 2 TPS.

Row 5 to 7

Repeat row 2

Row 8

Repeat row 4

Row 9 to 28

Repeat row 5 to 8

Row 29 and 30

Repeat row 1
