

Discover the Seasons – week 16

This week block 61 thru 63. The first block is an idea of Carla. Check out the description, Because we're doing something different. And the last block are some serious cables. I was inspired by the Celtic knots and made this into tunisian crochet. I think it is very pretty, but I love cables.

Block 61 20x20 color D

design: Carla

This Block will be made on block 55/57 and next to 49/56. count 20 stitche from the right top corner and attach your yarn in the 21st stitch.

Blok 63 30x30 kleur B

Designer: Marjolein inspired by a knitting pattern

necessities

Stitch holder or crochet hook

Read all instructions!!! Follow the step by step instructions!!!

We are going to make cables, cables like you see in knitting. We are going to cross stitches but not like the crosstitch. The crossing will be done in the return pass!! It is best when you use a stitch holder, but it can also be done with a crochet hook.

This block will be made on block 59/60 and next to 57/62. Attach your yarn on the right top corner of block 60.

Stitches

Explanation Cable

 cable to the left

You're making the cables in the return pass

- | | |
|--------|---|
| step 1 | pull 5 loops of the hook. The first loop is your working loop, make this one larger and leave it |
| step 2 | pick up your stitch holder and pick up the loops which are close to your hook. Lay stitch holder in front of your work |
| step 3 | pick up the other 2 stitches with your crochet hook |
| step 4 | pick up the loops from the stitch holder onto your crochet hook |
| step 5 | pick up your working loop and make it normal size |
| step 6 | pull through 2 loops on the hook |
| step 7 | pull through 1 loop on the hook(a chain to give the cable some room) |
| step 8 | pull through 2 loops on the hook |

 **Cable to the right**

You're making the cables in the return pass

- | | |
|--------|--|
| step 1 | pull 5 loops of the hook. The first loop is your working loop, make this one larger and leave it |
| step 2 | pick up your stitch holder and pick up the loops which are close to your hook. Lay the stitch holder at the backside of your work |
| step 3 | pick up the other 2 stitches with your crochet hook |
| step 4 | pick up the loops from the stitch holder onto your crochet hook |
| step 5 | pick up your working loop and make it normal size |
| step 6 | pull through 2 loops on the hook |
| step 7 | pull through 1 loop on the hook(a chain to give the cable some room) |
| step 8 | pull through 2 loops on the hook |

If you're working on the odd rows make sure the TKS are not too tight!! Take a look at the youtube movie of Kim Guzman. Although she works with 6 stitches, it is the same.
